Capture times are read from file metadata where present. Packet fingerprint (SHA-256 of this PDF before Bates stamping): 7426afc489d0eef99a0b438def226ad139f752350c25cf2c04900281afbb79e0

Amendment history

Original text is never overwritten. Each change is appended with the date, the prior and new value, and the stated reason.

INC-0002	24 January 2026	Time: 6:45 PM → 6:47 PM Reason: Corrected from phone call log
INC-0005	6 March 2026	Amount: \$620.00 → \$640.00 Reason: Invoice included imaging fee

Records 1, 3, 4 and 6 have no amendments.

Declaration of the record-keeper

I, Avery Lane, declare:

1. I am the Petitioner in this matter and I personally kept the records summarized in this packet.
2. Each record was entered at or near the time of the event described, from my own observation, or from documents I received, as stated in the record.
3. The attachments are true copies of the files I uploaded. Each file's SHA-256 fingerprint was computed at upload and is listed in the Authentication appendix; I have not altered any file since upload.
4. No record has been deleted. Every change to a record is shown in the Amendment history with its original text.
5. The records were kept in Folioh, a system that timestamps entries, stores files in private encrypted storage, and logs amendments automatically.

I declare under penalty of perjury under the laws of the State of Exampleton that the foregoing is true and correct.
